Champagnes

L.Aubry Premier Cru

"Aubry crafts some of the most exciting and distinctive wines in Champagne. This small, family-run estate is one of the few properties in the region to use Arbanne, Petit Meslier and Fromenteau – traditional grapes seldom seen today.

There is a purity to the fruit at Aubry that is striking. The wines typically see very low dosage of just 2-3 grams. The truth is these wines don't need much.

Champagne lovers should do whatever they can to taste these unique, compelling Champagnes

Gaston Chiquet Traditional

"Subtly chalky and smoky as well as evoking roasted peanut, toasted almond, celery seed and marjoram on the nose. The balance here favors Chardonnay slightly over Pinot.

I suspect this will be fascinating to follow for a couple of years."
